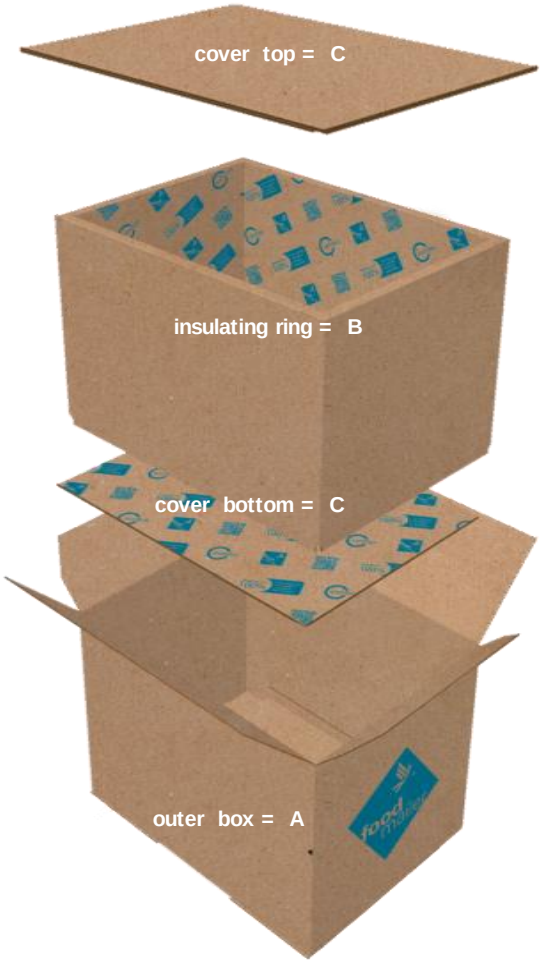
foodmailer®

The resourcefulness box made of cardboard.

foodmailer® ECO

SMALL, 11,45 litres

- High insulating packaging for foodstuffs and other items that need to be shipped cooled.
- Optimized for the delivery within 24h
- Environmentally friendly and recyclable
- Single-material corrugated cardboard
- FSC® TUEV-COC-000507
- Air pocket on the bottom für insulation
- Closure with packaging tape
- Inner material: special insulating flute brown / brown, one-colour flexo printing, low migration
- Produced climate neutral
- Outside dimensions: 300x200x300 mm
- Volume: 11,45 liters
- Weight per set: 630 g



Optional:

- ColomPac®self-sealing and tear open strip
- Personalised printing in up to two colours
- Outer box with white outer layer

Personalised foodmailer® ECO
